If you selected the checkbox **HIPAA Training Required** in the My Job Information section, then the **Privacy and HIPAA Training** will appear and is also required.
2. Select **Start Course**.

The screenshot displays the 'My Learning' section of the TMS 2.0 interface. At the top, there are navigation tabs: 'My Learning' (selected), 'My Team', and 'Instructor View'. The second item is 'VA Privacy and Information Security Awareness and Rules of Behavior', marked as 'REQUIRED' and 'Part of VA Staff Mandatory Training'. A red box and a circled '2' highlight the 'START COURSE' button for this second item. To the right of the 'To-Do' widget is a 'Find Learning' section with a search bar and a 'Go' button. Below that is a 'My Curricula' section showing a circular progress indicator and 'Due in 30 days (2)'. At the bottom right is a 'Learning History' section with 'View All' and 'Add' buttons.

3. On the Online Content Structure page, select **Launch Again**.

4. Complete the training as instructed.

**NOTE:** When you have finished the course(s), you may print completion certificates from the My History tile on your home page. You have successfully completed your required training.
